Subject: Request for ATSDR assistance deployment

Hello Chris,

As our RRT rep, I am sending this to you but please forward it on to others as appropriate.

On behalf of RRT Co-Chair David Ostrander, I am requesting ATSDR deploy resources to assist the OSC working the Gold King Mine Release in Durango, CO. Specifically we seek technical assistance via one ATSDR environmental health initial person to help UC with human health threat assessment and analysis, and exposure prevention and mitigation. This person would deploy for approximately one week but, if assistance is needed longer, we would expect additional personnel to rotate to the site, preferably with opportunity to overlap/transition to the incident.

Please contact me with any questions and thank you in advance for your assistance!!
